Dear Pioneer Families,

Easter is next week can you believe it? This year is flying and typically, as life goes by in front of our eyes, our years pass, and time becomes a luxury. To help you make better decisions regarding your time, try to categorize your mind using the Principle of Eisenhower: what is **PRIORITY**, **IMPORTANT** or **CAN WAIT** in your life? In which category you place your family, friends, health, school, hobbies, faith, and everything else? If it is a priority, do it **NOW**, if it is important, add into your schedule, if **CAN WAIT**, do not get overwhelmed by it. Remember that the most valuable things in life do not come with a price tag.

Be wise with your time and live a full life... -Your NIAP team

7TH GRADE STAAR WRITING – APRIL 6TH

7th grade Go to sleep early, eat a good breakfast, and come prepared. **ONLINE** and **IN PERSON** students must come to campus to take the test. Wear your PW uniform, bring a snack and a water bottle, no hoodies or jackets, wear a long-sleeved white shirt under your PW uniform if you tend to get cold.

6th grade will have a normal online and in person instruction day. You will test in May. More information to come.

INTERNATIONAL DAY

We had a blast! Thanks for your support making NIAP International Day a huge and fun celebration! Movie night coming soon...

VOLUNTARIES

NIAP needs you! If you love our school and would like to get involved in our next events, committees or simply help our teachers, please let us know via remind or give us a call.
